DANCE QUIZ

Which dance is supposed to resemble a bullfight?

- A) Tango
- B) Pasa Doble
- C) Rumba
- D) Cha Cha

Hi! I hope everyone is having a good year. We have all been very busy preparing for the May show and competitions.

All the classes are working hard on their dances for the show in class but we encourage them to practice at home. We would like to have everyone bring in a blank CD, or purchase one in the office for \$1, so we can record all their music. If a parent wants to come in and video tape the dance they are performing in the show please talk to the teacher and they will tell you when would be a good time to video tape.

Also, please remember to wear appropriate dance wear to class and your hair pulled back.

The Academy Performing Companies made us very proud when they received many high honors at the dance competitions. Great job girls. You are the BEST!!! Have a great month and keep up the great energy in class.
