Tammy's Notes

I hope everyone is having a good year. We have all been very busy preparing for the May show and competitions.

All the classes are working hard on their dances for the show but we do encourage them to practice at home as well. We would like to have everyone bring in a blank CD, or purchase one in the office for \$1, so we can record all their music for them. If a parent wants to come in and videotape the dance they are performing in the show, please talk to the teacher and they will tell you when it would be a good time to video tape. Also, please remember to wear appropriate dance wear to class and your hair pulled back.

The Academy Dance Company has competed in four dance competitions this year. They have won many overall awards for their AWESOME performances. I have enjoyed all of our practices, competitions and the dance conventions with this great group of girls!

Have a great month and keep up the great energy in class.

You are the BEST!!!

Miss Tammy
